Bulletin Number: P18-002

Date: March 1, 2018

Distribution: Internal/External

Effective: April 2, 2018

Johns Manville EPDM Price Increase

As a result of escalating raw material costs, all EPDM membranes, flashings and accessories will increase 4%.

The new price will be applied to all shipments on or after the effective increase date regardless of order placement date. Existing quotes will be honored but extensions will not be granted.

Please contact your sales rep or account manager with any questions.

Thank you for your continued support.

Emily Gehrman

Senior Manager of Commercial Operations
