To Our Valued Customers,

Our Wallboard manufacturers have announced price increases due to inflation in raw materials and escalating transportation costs that are nationwide in scope. We are working diligently to ensure our customers are informed and planning with your local representatives and managers.

Effective with all shipments on or after July 2, 2018, Allied Interior Products and its affiliates will increase prices on all Wallboard products 10%.

We recognize that you have choices when it comes to suppliers, and as a result, we greatly appreciate your support and loyalty. We will continue to strive to provide the very best products, the very best service and the most knowledgeable staff in the industry while maintaining consistent and competitive pricing.

We appreciate your continued support and thank you for your business.

Sincerely,

Ron Pilla
